

OUR STORY

Giving Sadaqah started as a voluntary project in 2002 in Somaliland when two teachers were employed to teach a group of displaced orphans – under a Tree.

Today, the Charity supports the following projects:

- Four schools providing free Somaliland National curriculum education. One school was voted as a Top School by the Ministry of Education.
- Over 1800 children (mainly Orphans) being taught by a team of about 50 staff who are on salaries of about £100/month.
- Built seven *Masaajid* (but are only able to sponsor four due to limited funds) where *Hifz-ul-Qur'an* classes are provided for the Orphans. *Alhamdulillah*, 150 pupils completed *Hifz* in 2019.
- Micro-Finance projects offering a £350 loan for needy families to start up a market stall for trading or small-scale animal farming.
- Crowd-funding projects from £2,500 to dig and operate freshwater wells for villages. So far, twenty such wells are providing water to local residents and live animals, in addition to their use for farming.
- Daily food needs from just £50/month for an increasing number of families who are classed as extremely vulnerable due to not having any breadwinners or having family members with terminal illnesses and disabilities.
- A special programme for widows, called "*Barakah Baskets*" from £45 each, whereby they are provided with essential raw food items.

There is so much more we want to do to help change lives but can only do this with your continued support. Sign up today to support us with a monthly donation through which you will be actively looking after the orphans as per the above *ahadith*.
